December 11, 2020

Budget Adoption

A public meeting of the Plaquemines Parish Assessment District was held at the offices of the Plaquemines Parish Assessor, 106 Avenue G, Belle Chasse, Louisiana, on Friday, December 11, 2020, after having been publicly noticed in accordance with the applicable open meeting law.

The meeting was called to order by Assessor Hazel at 10:04. In attendance were Assessor Belinda Hazel, Buzz Andersen and Sara Taylor. Additionally, there were two members of the public in attendance.

Having no old business to review, the Assessor proceeded to ask Mr. Andersen to provide a brief overview of the budget. Following an overview, the floor was open for comments. Buzz Andersen distributed copies of the official budget to all public that wanted a copy for review. Members of the public asked questions and discussed income and expenses and the anticipated surplus indicated on the 2021 proposed budget among other general topics such as the millage adjustment process which occurs in a reassessment year.

Upon review, a typographical error was discovered on each budget summary published in the Plaquemines Gazette. The detailed record of the budgets did not indicate an error. The corrected budget summaries are to be published in the December 22 edition of the Plaquemines Gazette.

All questions relating directly to the Assessor's Office budget and revenue were addressed.

Following the public comment period, Assessor Belinda Hazel adopted the 2020 Amended Budget as presented at the public hearing notating the typographical error in the summary, a corrected version of which is to be published in the Plaquemines Gazette on December 22, 2020.
